Bristol Parks and Recreation

Rhythm Quest-Music Program

Bristol – From the Bristol Department of Parks & Recreation:

Do you have a child between the ages of 11 – 18 years old and lives in Warren or Bristol?

Has he or she ever wanted to learn how to play drums?

Does your child currently play an instrument but have always been curious about drumming?

Well, here's your chance for them to be part of a new and exciting program called Rhythm Quest. The program is divided into 3 different groups; beginners, intermediates and advanced. There is no fee to join, but there will be a \$10.00 equipment fee for drumsticks and drum pads that we will provide. This program will be held from 6:00pm – 8:00pm Tuesday evenings, beginning in mid June.

Rhythm Quest combines teaching the fundamental skills of playing percussion instruments, reading music, developing teamwork skills and of course having fun! The staff of this unique and innovative program has years of experience both teaching and performing percussion in many different styles and performance settings.

If you know of someone from Warren or Bristol that would like to participate in Rhythm Quest, call the Recreation Summer Office at 253-1611 for more information and to register.
